Hi Diana,

Per Domingo, there are few trash heavy areas here:

- Fulton Ave and Riverside, alley north of 101FWY
- Kester Ave and Huston, near LA River
- Woodman Ave and Mammoth, near LA River
- Coldwater Canyon and 101 FWY

These areas should mostly be just trash heavy  
All should be in Sherman Oaks area

Happy Friday Milene,

We were informed that CD4 has had an increase in illegal dumping sites that need service and we want to make sure we remedy that. Do you have a list of these sites or could compile one? We'll make sure it gets taken care of.

Thank you and have a great weekend!
